DONATIONS NEEDED!

Like dogs & cats, Birds are pets too
Our beautiful birds need your help
We currently care for over 100 birds recovered from shelters and parks, or who have been abandoned
Your generous donations will help pay for food, medical supplies, treatment, and housing

100% of all donations are 'for the birds'
OUR STAFF ARE ALL VOLUNTEER

Donate on-line at www.asaputah.org or send your tax deductible donations to

Who We Are

We are an avian rescue sanctuary devoted to domestic and wild non-native birds--We rehome, rehabilitate, and educate birds in the Salt Lake, Utah, Davis County, and other areas of the Western United States.

We are here for the community's well being and to promote a safe environment for our feathered friends. Housing, feed, and medical needs are supported by donations. Please help the birds today by making a donation to ASAP or by sponsoring a bird here!
